

Orchard Place Rooted in Resilience

Mental Health Awareness Luncheon

Coming in May 2026, Orchard Place is launching a new tradition: our first ever Mental Health Awareness Luncheon. This inaugural event will celebrate the life-changing work our team does every day to support the mental health of children and families in Iowa.

Throughout the luncheon, guests will hear real stories of resilience, powerful examples of how timely, compassionate care can transform and even save lives. These stories will reflect the heart of Orchard Place's mission and will show how each of us can play a meaningful role in Developing Strong Futures.
