

MOONLIGHT CLASSIC TEAMS

Gather Your Crew and Join the Competition

New this year, Moonlight Classic Teams make it easier than ever to participate, fundraise, and have fun together.

Create a team of up to five people and invite your friends, family members, coworkers, or fellow competitors to join you. The best part? Only one person on your team has to ride in the Moonlight Classic. The rest of your team can cheer from the sidelines and enjoy the festivities at Captain Roy's.

How It Works

1. Create a team.
2. Invite up to four additional team members.
3. Designate one rider for the Moonlight Classic.
4. Fundraise together to support youth and families served by Orchard Place.
5. Celebrate at Captain Roy's on event night!

Team Incentives

Teams that raise at least \$100 will receive a Moonlight Classic t-shirt for every team member—not just the rider.

We'll also be awarding prizes for:

- 🏆 Top Fundraising Team
- 👗 Best Team Costume

So, start brainstorming your team's name, recruit your crew, and get creative!

Why Participate as a Team?

Moonlight Classic Teams are a great way to:

- Rally your friends, family, or coworkers around a good cause
- Add a little friendly competition to the event
- Honor your Spelling Bee team traditions
- Support Orchard Place youth and families
- Make lasting memories together

Whether you're aiming to be the top fundraising team or simply looking for a fun summer evening, Moonlight Classic Teams are a great way to get involved.
