IMPACT CHILDREN'S MENTAL HEALTH

Corporate partners, special event sponsors, and major gifts from individuals and private foundations are essential to closing the funding gaps for children's mental health and educational programs at Orchard Place.

ACCESS FOR ALL - $175,000/YEAR

Orchard Place is one of Iowa's largest "safety net" providers – we care for youth regardless of their family's ability to pay for services or the systemic barriers they face in accessing care. Your contributions help ensure access to mental health care for youth including school-based and center-based therapy.

SUMMER SCHOOL CLOSES THE GAP - $75,000/YEAR

Orchard Place Residential Campus provides Summer School for all youth in treatment. Thanks to community support, we're able to provide certified teachers and teaching assistants who help youth stay on track academically and build confidence in the classroom.

ENRICHMENT PREVENTS SUMMER SLIDE - $50,000/YEAR

The Enrichment program at Orchard Place PACE Center provides eight weeks of summer camp for more than 50 youth from low-to-moderate income families. Enrichment helps youth stay engaged, continue learning, and build new skills. Community support keeps this program running each summer.

CHILDREN'S FUND SHOWS COMPASSION - $40,000/YEAR

The Orchard Place Children's Fund assists families struggling to cover basic needs such as rent, food, clothing, and utilities. It also supports families whose children receive services through programs like Behavioral Health Intervention Services (BHIS), Functional Family Therapy (FFT), school-based, and center-based therapy. When needed, the fund can help families purchase items that promote safety in the home, such as secure storage for medications or potentially dangerous items.

CENTERED ON VALUES - $45,000/YEAR

At Orchard Place, healing happens best in an environment rooted in respect, compassion, and collaboration. Your partnership helps us bring that environment to life - supporting staff development, trainings, and initiatives that reinforce a culture where every youth, family, and team member feels seen, heard, and valued.
